

Commercial Business

We offer a range of complete business products which can be tailored to the specific needs of a variety of trades from sole traders to large corporate organisations and everything in between.

AVAILABLE POLICY TYPES :

Commercial Combined

Covers a range of business needs and can include, material damage (buildings/contents/stock/computers), business interruption, money, trade all risks, goods in transit, frozen food, employers liability, public & products liability, professional indemnity & legal expenses).

Public/Product Liability

Designed for professionals who interact with customers or members of the public. Provides protection against claims for personal injury or property damage that a third party suffers as a result of your business activities. Cover for £1 million to £10 million available.

Employers Liability

One of the most common types of business insurance, most employers are legally required to take out this type of policy. It can pay compensation and legal costs if an employee or ex-employee sues for illness or injury caused by their work.

Goods in Transit

Covers goods against loss or damage while in your vehicle or when sent by a third party carrier.

Directors & Officers

Provides personal liability cover for directors, officers and managers to protect them from decisions they make during regular duties.

Professional Indemnity

Covers the insured against a legal liability to compensate third parties for injury, loss or damage due to breach of duty.
