WINNERS!

SPECIALIST BROKER OF THE YEAR 2015

March saw the CCiB team win big at this year's Commercial Insurance Awards at London's Millenium Hotel, Mayfair. Anne and Debbie were in attendance to collect the prize for 'Specialist Broker of the Year 2015'.

The judges felt that CCiB's entry demonstrated passion, focus on the client and was value adding. The area knowledge and support in the local community made it an example of what specialised broking should be.

We're all very proud of our achievement - hard work pays off!
