NEWSLETTER AUGUST 2015

Sunshine, Sheep & Shows

Summer is always busy and this year is no exception, with CCiB sponsoring sheep sales at Lancaster Auction Mart and being the recommended broker for Longtown Auction Mart and Dumfries Auction Mart we're out and about all over the North West and beyond! Closer to home Garstang show and Chipping show were both a success, of course the weather helped for both days! We've got our fingers crossed the weather is as kind at Westmorland Show next month.
