## NEWSLETTER AUGUST 2016

## Awards & Shows Galore...

The last few months have been both busy and successful for CCiB. We have been nominated for not one but two business awards. The first is the nomination for Micro Business of the Year at the BIBAs (results 16th September) and the second is the nomination for Small Business and Rural Business of the Year at the Ribble Valley Business Awards (results 13th October). We're all keeping everything crossed and hoping that our hard work pays off!

As always, we were in attendance at Garstang show and Chipping show, both of which were successful days, onto Westmorland and Hodder Valley shows next month!

Anne, Debbie  
and all the team at CCiB!
