

## There's no business like showbusiness...

With the Summer being the season for shows we've had a busy few months and there are still more to come!

The sun shone brightly for Garstang show...Chipping show however was a bit of a different story, as you can see by the number of waterproof coats making an appearance on the picture above!

We will have to wait and see what the Hodder Valley and West Morland Shows hold in store for us next month!

Between shows we also managed to squeeze in a BBQ and quiz night at Guys Thatched Hamlet in Bilsborrow with the Blackpool and Preston Insurance Institute - CCiB were victorious!

See you at the next show,  
Anne, Debbie  
and all the team at CCiB!
